

GO CASHLESS ON CAMPUS: THE ALLCAMPUS NETWORK

Your AllCampus student ID card is essential for things like gaining access to the gym and campus events, but it can also function as a debit card for making purchases on campus if you sign up for the AllCampus Network. Not only is it secure because it bears your picture, but also it makes it easy to budget and manage campus expenses. Funds roll over from year to year. Use it at:

- The NCSU Bookstores
- All University Dining locations
- Residence Hall laundry facilities
- Parking Services
- Vending machines
- Ticket Central

THE PROCESS IS EASY

Make a deposit into your account, then present your AllCampus student ID card at participating locations. The purchase amount is debited from your balance, which is displayed on the cash register screen with each purchase.

YOUR ACCOUNT IS SECURE

Your AllCampus card bears your photo so no one else can use it. When you report your card missing your account is frozen immediately and you will be issued a new card. Your money is always safe with an AllCampus card. A small processing fee is charged for replacement cards and closing inactive accounts.
